

Lotterywest Organisational Development Grants

An opportunity to support your Leadership WA program funding

If you would like to apply for a Leadership WA Program or Course and work for a not-for-profit organisation with limited capacity to provide funding support, you may be able to obtain an Organisational Development grant from Lotterywest to help fund your place on a Leadership WA Program.

How do I obtain funding?

Before you can be approved for funding support from Lotterywest, you must first apply for and be accepted onto a Leadership WA Program. The Signature Leadership Program and Rising Leadership Program have a competitive application process, including an interview by panel.

To apply for a Leadership WA Program or Course, visit www.leadershipwa.org.au and commence the application process for the relevant Program. If you are accepted onto your Program of choice and your employer needs additional support to fund your attendance, contact Lotterywest on 133 777 or refer to the Lotterywest Organisational Development grants at <https://www.lotterywest.wa.gov.au/grants/grant-types/organisational-development>

What should I know before applying?

Leadership WA Programs and Courses fees are comprised of an organisational fee and a personal fee. Lotterywest Organisational Development grants will only be made to organisations, and not individuals.

Lotterywest looks for the following:

- Suitability of the development activity for your needs
- The impact the activity will have on your organisation
- Likelihood of organisational improvement
- Ongoing benefits for your organisation and/or the community
- Opportunities to share the knowledge and skills gained
- Retained learning within your organisation
- Involvement of your Board, staff and volunteers
- A sound budget and the inclusion of other income sources

You must also demonstrate that your organisation is willing to support your application process by granting the time necessary to complete the Program or Course and attend all Program or Course experiences. The organisation must also be willing to contribute a portion of the Program or Course organisational fee.

Acceptance onto a Leadership WA Program does not guarantee receiving a grant . Grant approval is made independently by Lotterywest.

Please note that the turnaround time for Lotterywest to assess grant applications is approximately 3 months. Please consider this timing when applying for a Leadership WA Program.
