

ASPIRING LEADERSHIP COURSE

ASPIRE. LEARN. TRANSFORM. BECOME.

The Aspiring Leadership Course is a four-day active-learning, game-based experience which will introduce you to key concepts of leadership fundamentals.

COURSE OVERVIEW

Aspiring gives new leaders a practical toolbox of skills to learn who you are, lead more effectively, and build high performing teams. Set over four fast-moving days of powerful insights, the Course is highly interactive, dynamic and focused on building a solid foundation of leadership skills.

Using the latest academic and industry research, Harvard case studies, psychometric assessments, and action-based learning, participants will identify their preferred leadership style and make a plan for their leadership journey.

WHO SHOULD ATTEND

The Aspiring Leadership Course is best suited to people looking to develop their leadership potential. This could be someone who is aiming to boost their skillset prior to a new leadership role, or a refresher to an experienced leader.

LEARNING OUTCOMES

- Identify and develop leadership fundamentals and styles
- Develop and practice team building skills
- Identify how to influence others

TAILORED SOLUTIONS

If your team needs to address specific concerns, themes, or opportunities, we can shape the Course into a bespoke in-house experience. This is a great way to build a more cohesive team, inspire leadership within and drive productivity.

The Aspiring Leadership Course is delivered over four consecutive days or can be split over 2 two-day sessions. The Course can accommodate between 10 and 30 participants.

Substantially reduced participant fees are available for larger groups of in-house Course delivery.

"As a consequence of attending Aspiring I have changed my life direction"

"It has given me the tools and skills to manoeuvre in the world with more confidence and clarity"
